Dear Madam

I've just returned from the Middle East & found yr. letter. The title of my lecture Cd. be anything you like concerning Kufara - say "A Libyan journey" or "A journey to Kufara" but can you possibly change the date to the 19th. Oct. because I may have to be married on the 21st. as I have to go

over to Belgium to lecture to their Royal
Geographical Society. I am very sorry to
trouble you, but if your cards are not
yet printed, perhaps it will not matter
very much. I'm afraid I can't promise
the 21st. now.

~~Dear~~ Yours very truly

Rosita Forbes
