

Oldham Women Citizens Association, being the ^{Oct 1933}
local Branch of the National Council of Women.
Copy of letter sent to Dame Adelaide Livingstone at
Geneva, with Disarmament Petition. Oct 1933

AL/1664(a)

Dear Madam,

On behalf of the above Association I
enclose a message in support of the great cause of
Peace & Disarmament which is signed not only
by the Officers & Members of the Association but
also by a number of representative men & women,
including the Mayor of the town & Councillors
belonging to the Conservative, Liberal & Labour Parties,
the Clergy of various denominations & members of
the Teaching Profession, all being persons who are
taking an active part in the life of the town.

As directed by the Secretary of the Women's International
League in London we send it on to you in Geneva, assuring
you & all those who are working for the cause of Peace, of
our fullest sympathy & support.

Margary Lees. Hon. Sec.

Text of Resolution

We the undersigned residents of Oldham, Lancashire, England
send a message of goodwill & support to your efforts to further the
cause of World Peace at Geneva & earnestly hope that a Disarmament
Convention will be agreed to at the coming session of the
Disarmament Conference which may lead to an effective
international reduction of armaments, limitation of expenditure,
& control of the manufacture of arms.
