Dear Lady Betty,

There is absolutely no movement for Women's Suffrage anywhere. I have made enquiries of a great many women on the subject, but they do not take any interest in it. I cannot explain the psychology, but it is the fact. Try and get up a public meeting on the subject, and I will support it, and you will soon find out whether I am right or wrong.

Yours sincerely,

Kathcliffe

Dear Mr. Fawcett.

What says our leader to this? a what reply should I make? My letters say the Com. in Registration are going to propose W.S. & I suppose they want a good backing, but all Suffrajets are busy with war work.

The Lady Betty Balfour.
