Dear Miss Pulliser

I have tonight been sent a  
copy of a manifesto <sup>which is being organised</sup> ~~by~~

Miss Elizabeth Davis Hon. Sec. of  
the Woman's co-operative Guild

A good many important societies

appear to have copied it. I do

not see the Central or the Union

of Women's Suffrage Societies?

Have you been approached?

If by any chance you have not

Pawcett Library  
27 Wilfred Street  
London S.W.1.

300

I will kindly let me know I  
will send you my papers about  
it. If for some reason (we have  
refused your cooperation) I  
should be glad to know why.  
I cannot help thinking almost any  
straw now may break the camels  
back -

(yours truly  
H. Densmore)
