Dear Mr Roberts:

I must apologize for  
not having answer your  
letter & Classification etc. Re  
Women in the Church, but I left  
your paper in Tom, when I  
was suddenly called away  
to nurse a dear relative, Mrs.

created just other thoughts ~~of~~  
out of my mind.

I think your paper has most  
interesting & encouraging & I  
have given it to several friends  
to read.

Re the answer of the first two  
questions - I think women only  
should be invited to the first  
meeting, but I should like to  
suggest that if any man / of

course a Churchman) wished to be  
present to listen<sup>only</sup> he could do so  
in applying for a special ticket  
to the Secretary.

2). Yes - only Church people  
for the preliminary conference.

Yours truly

Frederic C. Lammie.
