Miss Douie,
Librarian

A2/1389

Dear Miss Douie,

Here I am, wanting something again. I don't know if you allow what I am about to request to be done, but if this is so I shall understand.

I am requesting whether you have the press cuttings of
a. The Petition against CD which was signed by 2000 women and published in the "Daily News" 1st January 1870. Or have you got it in facsimile? - Any form at all will do.

2. Have you got the press cuttings on the 1870 by - election in Colchester in which Storke was the official Government candidate. - 1870.

3. Have you got press cuttings, or any material on Sir James Stansfeld... especially I am after his association with the National Association led by Josephine Butler and on Gladstone's re-action to this.

4. I noticed that you had a "Woman's Who's Who"... not sure this is the title, but I think that Miss Blackburn produced it. Could I borrow this.

5. Have you got "Josephine Butler" by E Moberley Bell (Constable)? If not I dare say I can get it in the local library. If you have it would be useful, but don't worry about it if you haven't.

Could you send me what of the above material you do lend out, please. If it needs to come and be returned by registered post, do that by all means.

I look forward to getting down again later in the year, and for a longer time on that occasion. I so enjoyed meeting you again.

Best wishes for your and your mother's health

Sincerely,

Marian Ramelson
