Dear Miss Feaver

Your letter of the
23rd June has just reached
me. We have been abroad in

Spain & France for the best
six ~~months~~ ^{weeks}, & it is possible

that Lady Emmott's letter
was forwarded on, and

reached me somewhere, anyway

I have not received it

I am so sorry not to have
replied, but you may already
add my love to the list

of Patrons for the Flower Show
on the 29th of June.

Yours sincerely
Henry L. Carruth.
