My dear Mary,

Thank you very much
for sending me the irises
and columbines. It was
very sweet of you. A. A.
says the irises are very
choice. I hope they will

prosper under my care.

My garden is in rather a bad way at present as the weeds have grown up larger than ever while I have been away. I am going to have a man to dig it, so I may perhaps get rid of them in time.

I hope you will come to visit your plants and me some

day when they are out.

yours affectionately

Philippa Fawcett
