Dear Miss Strachey,

Enclosed my stereos
Communication depended
on me at a busy moment
& got put aside -
I don't know what it means
Will this help to unravel
it?

I took 10 seats for the West
Berks Societies for
Demonstration, & on
Feb 1st I returned 5-

to the U. K. ^{each}
(I paid 2/6, but they
afterwards became 5/-)

I made use of the 5 I kept,

Can the 5 I returned

have been passed on

to the London? & have

they imagined that they

have to pay me for them?

If they have so imagined

it is erroneous, as I

have only paid the U. K.

for the 5 I kept.

I hope this is clear,
& that you can trace it?

Yours very sincerely

Almacks

W. do you interest you to
know that on Feb 16th
I attended a Committee
of your Windsor Branch.
I presume they have
notified you that they
passed a resolution
deciding that they would

become an independent
society & federate to the
Oxford Berk & Bucks
Fedⁿ ?

They want a meeting of
their members to announce
this to them. I have the
promise of a drawing
rooms meeting at end of
March, & have written
to beg Mrs Fawcett to come
& give us a fresh start.
Meanwhile they were in a
state of suspended animation.

Dear Mrs. Uniacke,

Thank you for your note received this morning. I am so sorry to learn that both the Reception dates are impossible for you.

In Miss Strachey's absence I am writing to explain that we received five seats from you on February 1st for the Albert Hall Demonstration with the enclosed note, and I wrote asking you whether they should be sold or given away. You replied that they should be sold, and this 25/- is the result. I am so sorry to trouble you further, but may I have a post card to say whether this sum should not be sent to the National Union office.

Yours truly,

Dear Miss Robinson

I am so sorry to cause so much trouble.

From force of habit & evidently I returned
the tickets to the London Society! instead of to
the National Union - I have only paid them
for five of my ten seats, so I think it is clear
the 25/- should go to them. I return you my
note in case there is any further confusion
I require setting right.

Yours sincerely

Dear Mrs. Uniacke,

Thank you very much for your letter of February 26th. We shall send on the 25/- to the National Union and I do not think that there will be any further confusion.

Yours sincerely,
