Dear Mrs Lees.

Thank you very much  
for your letter & enclosure.

I hear from Scotland this morning  
that they can take no more  
names for Personnel for the new  
Field Hospital, as they have  
a long waiting list now of  
Nurses & Orderlies. I will write  
to that effect to Miss Crayie,  
but I will of course tell her  
that we will keep her name  
in mind if any more Drivers are  
needed.

The fund is getting on well &

think. We have just over £1000  
received or promised & enclose  
a copy of the Appeal for you  
to see. It is going out early  
next week.

With kind regards

I am

Yours sincerely

Mabel Chapman.
