Dear Mr. Strachey

Your letter regarding the Central Soc.'s Bill was carefully considered by the N.U. Finance Committee yesterday. They agreed to £3. request for payment of expenses of moving, in view of the heavy expenses previously incurred by the Central Soc. in moving ~~here~~ down here.

Regarding the electric lamp (moveable) - As there seems to be some doubt as to whether it is a fixture &

as you have had to spend on new shelves we propose to give you  $\frac{1}{2}$  <sup>cost</sup> price for the lamp. It wd be better to do this as the old wire is the right length for its present situation & it wd be a waste to have to alter it for anywhere else.

The other items there was of course no question about

Re Mrs Smallman - it was agreed that we could use Mrs Smallman till July 15<sup>th</sup> should the Central allow us to do so.

Yrs very truly F. Sterling.

I think our telephone or agreement to pay for our and contribution for rent of fair to both sides, so will you please claim it on that date in future.

I think our ~~arrangement~~ agreement to pay you our annual contribution for rent of  
telephone on May 1<sup>st</sup> will be perfectly fair to both sides, so will you please claim it on that  
date in
