

AL/1285

*Sissinghurst Castle,
Kent.*

27th February 1953.

Dear Lady Emmott,

It is so very nice of you to invite me to open the Flower Fair on Monday June 29th. but I am much afraid that I shall have to be here at home on that day. I very seldom do come to London and that doesn't happen to be a day when I shall be able to come. Thank you all the same.

Yours sincerely,

V. Sackville-West
