CASTLE HOWARD,  
YORK.

July 19. 04

My dear Mrs Harvey,

I am so glad I shall see you  
on Monday the 22<sup>d</sup>. I am rather

dreading our first County Com<sup>tee</sup>,  
but I hope for the best. I have

never yet met Mrs Morrell, but

am expecting to find her a

great help to our work. I

think our good fortune in

getting into our Union these  
capable leaders of the Yortas  
W.T.U. is an immense  
blessing. I enclose a cheque  
of £15 my promised sub<sup>scri</sup> to  
the funds of the Yortas Co<sup>o</sup> Union.

The kindness I experienced  
at Leeds leaves me much

in the debt of my Yorkshire  
fellow workers, & I enjoyed  
the Council exceedingly.  
Sunshine after storm, love  
after discord makes the world  
dance with happiness & thankfulness  
for anyone, & the lovely  
silver vase you all gave  
to me, & which I shall

ever treasure, is an emblem  
to me of the joy & comfort  
which can be found in  
B.W.T. a comradeship.

Till Monday, & ever after  
I trust, your faithful  
& loving fellow worker

Rosalind Cartlisle
