Berlin, June 24th 98

Thanks for your letter, ^{AL/3798} dear Nelly,
the informations etc. I have now
decided to come to you at once
after a few days rest (?) in
London, so that I expect to be
with you about the middle of
the week, viz. 5th or 6th at the latest.
I hope that will suit you.

Of course, I will write over more
from London to fix the exact
date and train. Au revoir!

Yours affectionately
Alex.
