Dear Mr. Taylor,

Thank you very much for your letter. I was most interested to see the copies of the letters you sent to Lansbury and the Home Secretary. I hope you worried them as much as possible.

I was at McKenna's meeting at the Queen's Hall. I remember that Mr. Wilks was there. He is a very strong supporter of ours, to whom

we owe a deep debt of gratitude —
as indeed we do to all men who
find time to give active support
to us.

I am glad Mrs. Taylor is well, and
has not suffered permanently from
her imprisonment and hunger strike.

Of course she is more determined than
ever! Imprisonment always
has that effect upon us.

Yours sincerely,

Bertha Brewster
