My dear Wife

Jan 28<sup>th</sup>

Joy left

at 9 hrs & received of  
 I begone to be greatly up-  
 set her, it is very bad  
 news of her Las head, &  
 I was very wnt to be  
 able to read any one  
 with her she looked so  
 pale. I send you the re-  
 ceipt & am satisfied  
 that our Banking is  
 right & that the Bank  
 holds L<sup>rs</sup> balance.

L B has a 3<sup>rd</sup> of the £50.  
I gave you to subscribe in Eastern  
Telegraph shares, also  
£32. I saw that I invested  
a 3<sup>rd</sup> of that in here, this is  
all I know of her property.  
As regards L B's & my  
Law & Co's Certificates

would it be proper to  
get new Certificates for  
her & me at the same  
time you get L B's? I  
feel sure if Father &  
Uncle Leigh took charge  
of them, I will look over

my papers & other Certi-  
ficates but I am hope-  
less at Law. G. Govt  
Lawrence as they were  
then called) for I did  
tidy my business papers  
a while ago & feel sure  
they were not amongst  
them. I cannot get  
all the bills in yet!  
My services after those  
I had send shall be sent  
if aff'd. Post  
Glad of looking round
