

2 Dec^r

My dear Wilfred

I do not think any more bills will come in now, so you had best go on as soon as possible.

The certificate must be in my name as I always received the div^d or interest from Len. It was issued by me in 1879, but I will look for my certificate. I hope dear Tom won't overstay her strength to tell her

I will help her to pay a
nurse if she will have
one, she, if she over
looks herself will bring
trouble & unprosperity to
J. & her children I will
remind her of this.

Adieu me cher
Belged

Y^r affectionate Aunt
Eliza Becken
