From ROGER FULFORD, BARBON MANOR, CARNFORTH, LANCASHIRE

Dear Miss Strachey

Rec^d 22nd June 1955 5654

I was so pleased to get your letter:
it was charming to you to write. I
expect to be in London next Tuesday for a
day or so and I will ring you up as the
chance of finding you free. If I get
word off my feet, which you storm my fate
in London, I will telephone on another

occasion. I should greatly value a letter with
you. I can not flatter myself that my
work will be of great consequence, but I
am enjoying putting it together as a
study in politics - especially on the fortunes
of the late Liberal Govt.

Yrs sincerely

Roger Fulford.
