Dear Madam,

Many thanks for
your kind & helpful note. —

I enclose the signed form,
my subscription cheque
for 3 guineas. Later on

— I hope to find myself
able to send in a small
donation to your funds
as well. — but that

Must rather depend on
how much extra illness or
serious trouble one has to
face among the very poor
folk one knows personally.
— I shall try & call
at your office either tomorrow
or Wednesday. & give myself
the pleasure both of
meeting you, & learning

more of the Society's actual
work. — You mention
a card, — but I did
not find one enclosed.
I should however be
heartily glad to learn
more of the subject.

Sincerely yours

Wm. Lloyd Garrison
