July 21st, 1910.

Dear Miss Whitehead,

I

I am desired by my Committee to thank you for sending them Mrs Fawcett's further Report, relating to the proposed joint Demonstration of Women's Suffrage Societies. My Committee begs to recommend that the Resolution on this subject passed by the National Union Executive Committee on July 7th, should be published in the Common Cause, with a statement that the Women's Social and Political Union refused to comply with the conditions proposed.

II

I am desired by my Committee to forward to you the following Resolution passed yesterday:-

"That in view of the present position of the Suffrage Movement, this Committee urges the National Union to give careful consideration to the question of organising a Women's Petition."

III

I am instructed further to forward to you the enclosed letter with a request that it may be laid before your Committee.

Yrs Truly
P. Strachey
