Dear Mrs Norton,

I am exceedingly sorry
for myself in having to decide
to remain at home in June and
so miss the ceremony I would be
so interested in. May you have
sunshine. I have been little at
home this Spring and must now
make amends, but being a born
propagandist have sent on news
of June 11th to two friends. I
enclose £1 [✓] my yearly subscription.
✓ with best wishes.

Yours sincerely,
Marion J. Buchanan.
