H.M. PRINCIPAL LADY INSPECTOR OF FACTORIES,

66, VICTORIA STREET, WESTMINSTER.

January 29th. 1909.

To:

The Secretary,

London Society for Women's Suffrage.

Dear Madam,

At Miss Anderson's request I am acknowledging your letter for her as she is much pressed with work just now.

I regret that it is not possible for Miss Anderson to comply with your request that she should speak at one of the receptions given by your Society. I am sure that you will understand that, being responsible for administering the Factory Acts, she is necessarily precluded from speaking on them at meetings of any political association.

I hope that you will have no difficulty in finding interesting speakers.

Yours faithfully,

May M. Paterson
H. M. Dep. Principal Lady Inspector of Factories
