My dear Pippa

The sickening
deed has been done and
all is lost. Unless some
strange event occurs. I
have explained the circumstances
to Papa and told him
I would give you any
ordinary news there were.
viz I went to Dinaפור
to see Oliver & next week
he came here Sat to town.
I cannot write any more

this week as you
will see by the stamps
on the envelope. These
late fees!

I will try & write
a decent letter next
week - the same
address please

Yr loving brother
Ralph

Oliver & I both blooming
