

Cypham - New Eltham - Kent
New York. *Mitford* June 3rd
AL/2577

I am hoping to run in & see you
on Thursday aft. before the party.
There are a few things I want to say.
Is the Miss Metcher you told me
about, in London? If so, could she
come on Thursday? I want her to
talk to a terribly Conservative lady
who is much indignant with us for
helping the Liberal. I have tried my
eloquence upon her, but want help,
& she enjoyed herself so much at
the last party, she is coming to all,
I think! I heard today from Mrs. S.
So glad she has joined. We must help
her at all costs. Don't answer if you
will be free on Thursday. I wish her
love.
S. Mitford.
