

5447
Dear Mrs. Billingham

I send the
enclosed. How stupid
men are - how narrow
their vision - even
the best of them.

Love to you both
E. L.

Secretaries' meeting
tonight - shall go
up.

With regard to our
friend I cannot trust
myself to speak, lest
what I should say
be mis understood & sit
beside the martyrdom
I know her to be
willing to undergo

Yours sincerely

George H. Monk
