Bruges. AL/2728

Thank you for your card which I am
sorry not to have answered before, but
as you see I am abroad & there was
a delay in my getting it. I am afraid
I shall not be back till after the
meeting so will not be able to help you,
but as soon as I get back I shall
come round to the office & see what I
can do. My sister is I believe at present
in the Trevelyans at Wacombe but she may
be back in a few days & I shall send her a card ^{some} if
she might be able to help. Yrs sincerely
A. Johnson
