My dear Pippa

I find I have to lecture
to the Penn Club on Wednesday evening
May I come & dine with you & her
ladyship at 7.0 P.M. & so on after
(with you if you'll come to support
me) Of course I'd forgotten all
about this lecture but as I'm going
on on Raphael on Tuesday evening
at Leeds I shall just bring it
along & pray that it'll do for
them. I don't advise you to come

at least I don't think it'll be good
but there's always the pictures to
look at.

If you can't have me I could
let me know by Wednesday morning
at 41 Headingly Lane Leeds by
p. card it wd. be kind but it don't
matter I can always get dinner
near by somewhere.

Anyhow the Friday dinner next week?

Yrs. Roger.
