Pageant

35 Belsize Square,

South Hampstead, N.W.

Dear Madam,

As a humble member of the Women's League for Women's Suffrage I should like to express my warm admiration for the way in which last night's splendid Pageant was organized.

I was with the Procession and at the Albert Hall and am proud to have been associated with such a triumph. May I ask you if I may be allowed to purchase 2 lanterns as souvenirs?

I should be very glad to have one for myself & one for a lady who also marched in the Procession with me. Kindly say the price of the lanterns & I will call in one day & fetch them.

Yours truly
Arthur C. Kelly
