Dearest Druy

So very many thanks, my dear, for our very kind remembrance of me & all that concerns me. I wish our could

have managed to come up for the fortnight Lady Strachey's house

but at this time of year & in this weather. I think it is

impossible it would be. Our dear Lady Strachey who has

been such a stalwart for our cause all her life (she is now

89) will not be able to be with us. I am up and she will

not be long in her world. Still, near here & I shall

miss her very much. I shall wear your flowers & I

hope you know how much I value your constant love

I desire to see you & our dear cause

Always your affectionate
