Dear Mrs Lees.

Please accept my heartfelt  
thanks for your telegram  
congratulating me on the  
result of the Hampstead  
Borough Council Election last  
Thursday. We were  
unfortunate in having very  
bad weather, and the smallness  
of the poll was largely due  
to the fact that rain fell  
steadily heavily all day.

Mr. Hecht, whom I think  
you know, worked splendidly  
to secure my return, and  
I feel that my success was  
in a large measure due to  
his energy, and to the  
admirable way in which  
he organized the work.

Very  
Yours sincerely  
R. E. Lawrence.
