 Claydon on Sunday next, (May 14th)
 and to go straight to the Poles, 18th

 days, and should like to come to you
 from there, if you can have me during

 me after that, because they expect
 here visitors from ~~the~~ 19th till
 the 27th. Your answer will find
 me at the Poles or be forwarded during
 the next week. I look forward very much
 to seeing you, but am in a great trouble at
