Mayor's Room,

Town Hall,

Ivanhoe, N.21.

Dear Mr. How do you do. I thank you for
your letter of congratulations.
Like you, I am hoping
that women here will have
their proper place in the
community.
What I cannot understand is why
more women do not
give service in municipi-
pal councils, before
being elected
to State or Federal
Parliaments.

Thanking you for your
interest.

I am,

Yours faithfully,

R. G. Ibbott.
