

AL/766 Navy  
From Mrs. HENRY FAWCETT, 2, Gower Street, London, W.C.

Many thanks for your note. I am  
delighted to hear how successful  
the meeting at Portsmouth was.  
I have no doubt you have already  
seen or will immediately see the line  
the N.A. is taking since in consequence  
of the pronouncement of the P.M. on Friday  
M.S.F.
