

AL/3291

Many thanks dear Madam
for your kind enquiries
I am tolerably well,
but my sister much
indisposed, not so much
I believe from the
Thursday's bustle as from
a cold caught on Sunday
when we went to a great
distance to two of our
Schools, and visited

best 400 children
in all this herd.

In great haste
I remain dear Madam
yours sincerely

H. Mear
