Dear Mrs Roberts

If you do not know it already, as you probably do, I thought I would tell you (in my private capacity) that the covering letter, & extracts from private letters which you sent round before the War for the purpose of the conference, have been issued as a pamphlet by the S.C.U. under the title of "Women & the Priesthood" & is being sent by the title to the press, particularly the Herald, with various who find it good copy, & not to all clearly, but selected ones! I have not a copy but a fine reprint on the "Star"

should it to me.

I'm awfully sorry because of the hours this may do the National Mission, but about the S.C.U. advertising the idea well! Lots of people who seem thought of it before will have it seen in their minds.

I think of making an offer to any of my copies now for the S.C.U. to use as propaganda in the future!

The Church Times is behaving well, & is not at all in sympathy with the "protestants".

With kind regards
Yours sincerely,
E. Anne Gilchrist.
