Dec 2
From Mrs. HENRY FAWCETT, 2, Gower Street, London, W.C.
1910

My dear Updowns, W. H. W. W. ^{Bus} Dec 20

I have just rec^d enclosed from Miss Palmer. It is evident that Mr. de Pass is quite a humbug; but it is satisfactory to find he was being questioned without our pulling the

strings. The information Miss Palmer
sends might go into our archives,
but the 'de Pass' will not get in. Sir
West^r would very likely be a candidate
before long somewhere else.

Yours sincerely

W. G. Peckwith
