Dear Mrs Billington Greig.

30th August, 1956.

Thank you very much indeed my dear for having done this for us. I think it is marvellous of you to have remembered Dora when both Winifred and I had even forgotten her married name, naturally it has now come back.

I am amused over Sylvia, it is so like her isn't it? I feel apologetic over my data that I sent you, knowing it would go into a few lines, leaving you to pick out what you wanted.

With pleasure my dear I would like to talk over with you any ideas you have for keeping alive a ^(memorial live) ~~membership~~ of our fight for Votes for Women. It seems such a long time ago. I look forward to hearing from you when you return on the 20th September.

Well we owe you 2/6 at least for his signature not way! repay you where we meet on your return - Thank you so much for signature - It's amazing how we felt left on a shelf while others drop off. My very kindest regards & make grateful thanks for coming to our aid. As sincere Adeline Bourne
