Dear Mrs. Roberts,

No, Bishops won't  
alarm those who want  
women-priests; but I find  
so many people only go  
as far as "minor Orders"  
really - preaching, & so on -  
that I have to say out-  
"Bishops" loud & clear, so  
as at once to remove all  
misunderstanding !!

In September, I couldn't  
get off on Wednesday at all,  
as it is C.P. press day, &  
my sub-editor will be on her

holiday. On Oct. 25<sup>th</sup>. I could  
 get the afternoon & evening,  
 but not the morning. Indeed  
 I don't anywhere see a  
whole day except Sept. 11<sup>th</sup>.  
 or (preferably 18<sup>th</sup>); & I do  
 agree that we ought to have  
 a whole day. Nov. 20 is also  
 free.

If these dates don't do,  
 let me come for part of the  
 conference only.

Yours very sincerely,

A. Inaude Royden.
