Mystic Alembics

To put you in a demon fix.

My dear Pippa

You will be glad to hear that I am once more restored to health. The gravel has been thrown to the cats and the blue pills to the mongrel who lapped them up and nearly died of the effects.

I am going off on the spree today to Allahabad for 3 days, the attraction being a fancy ball & am going to stay with the

Huddlestons - It is fairly  
easy to get to ~~hughal~~ ~~now~~  
now. There is only a gap of  
about 3 miles in the rails  
now and in a week or so  
they will be through -

Conversation

Michell - I say is this where  
you got the idea of your  
song from? The son & the  
ring by W. M. Thackeray -

Liddell The son & the ring? No.  
I never heard of it - Besides  
my song is called Son & Ring.

—

I never heard such a shame-  
fully amusing tale as your  
Xmas fortune telling - If any  
of the victims ever speak to  
you again as they pass by it  
will be a surprise - I should  
like to have been hiding behind  
Dorothy's desk to see their  
faces as the wicred woman  
vivisected them - Well I  
believe! What next? as  
Green would say.

I send a microscopic  
view of the bridge  
with love  
yrs
