My dear Mr. Sullivan,

I am getting notes and calls on
lines similar to the enclosed in
fairly considerable numbers.

May I put the enquirers
in communication with you?

I have been doing so but shall

be glad to hear if you kindly
assent to my action. There was

Evering Priory, Gloucestershire

a Miss Pictor Warburton also came to see

me on Friday ^{and} also made a very

favourable impression on me. I

gave her an address & told

her to influence all Ex. Com. of the

Y. W. C. A. which she is a

member to pass a resolution or

sign a memorial to A. J. P. & Co

and the Keena.

Yours sincerely
