Order: Employment of Women before and after Childbirth

Union of Socialist Soviet Republics

Постановление НКТ СССР от 17 ноября 1927 г. № 373 о дополнении и изменении „Списка профессий, кои наравне с физическим трудом дают право на отпуск в течение 8 недель до и 8 недель после родов.“ (Известия НКТ СССР, 1927 г., № 52, стр. 796.)

Order no. 373 of the People's Labour Commissariat of the Union of Socialist Soviet Republics, to supplement and amend the list of occupations which equally with manual work give a right to leave for eight weeks before and eight weeks after confinement. Dated 17th November, 1927.

The following items shall be added to the list of occupations which equally with manual work give a right to leave for eight weeks before and eight weeks after confinement (Известия ВЦИК № 257 of 16th November, 1920¹), approved by the Order of the P. L. C. dated 16th November, 1920¹:—

- (18) saleswomen and women packers in warehouses and commercial undertakings ;
- (19) women cashiers employed at automatic cash registers ;
- (20) women veterinary surgeons and surgical assistants (both in the local service and in curative institutions).

2. In item (14) of the said list the words “ and also saleswomen at soviet distributing offices ” shall be deleted.

¹ The text of this Order, together with the additions of 4th January, 10th March and 9th September, 1921, was published in the Legislative Series, 1924 (Russ. 3, appendix); the amendments of 4th and 9th September, 1925, were published in the Legislative Series, 1925 (Russ. 1, C) and 1925 (Russ. 13, I part B).
