Dear Mr. Arnold Glover,

We thank you most warmly for that very charming & old book:
A Journey from Aleppo to Jerusalem. We look forward very much
to reading it. It was great luck for me that I happened

to look in at 35 Markham Street on Monday & found such
an interesting enclosure going on, and heard of Miss Elizabeth
Scott being one of Philipps Strachey's Junior Council &
I went away thinking an air & full of rejoicing

Yours very respectfully
