

Dearest Everybody

Thank you very much  
for your letter which came  
by Mr. Henderson -

I am quite well. but I  
had had head aches which  
I think were caused by  
a fever in a tooth  
So the Doctor put me  
in Hospital - where  
everything is very  
comfortable. I do  
not in the power of

in the bottom of  
the paper outside  
as the Stone Secret  
prints - So he sends  
them out straight  
only to the hands  
of the secret  
and the hands  
I shall always  
be patient  
of the hands  
of the hands

who secreted that  
the hands of the hands  
So I shall find that  
only the hands of the hands  
Somehow to the hands of  
the hands I shall find  
make it to go as the  
are so many of the hands  
though I do not see  
my hands of the hands  
from  
Nellie

Handwritten text, possibly bleed-through from the reverse side of the paper. The text is faint and difficult to decipher but appears to include the words "whereas" and "and".
