Dear Madam,

Re delegates to Special Council Meeting, Sat. Nov. 26th.

I beg to inform you that your Society is entitled to send one representative for 20 - 50 Members; Two representatives for 50 - 100 members, and an additional representative for every completed 50 members, provided affiliation fees have been paid on these members.

The only way in which hospitality can be secured is by making immediate application to the Secretary of the London Women's Suffrage Society, 58 Victoria Street, London, S.W. giving her the name and address of the representative for whom it is desired and stating exactly for which night or nights hospitality is needed. As far as is possible every endeavour will be made to secure hospitality for those who may require it but as the time is so short it is urgently asked that all the delegates who can will make their own arrangements.

Yours truly,

(Signed) T. G. WHITEHEAD.
