Dear Madam,

I have a box of books concerning Women's Suffrage which belonged to the late Miss Jane Taylor of Corred Broom in this town. It was put in my charge at her death in the hope that those interested in the subject of Women's Suffrage might come here & use the books.

As a matter of fact

no one has ever come or is
likely to come & the arrangement
seems practically useless

I thought it possible
that you might make better
use of the books & if you
can see a use for them at
your office or elsewhere I shall
be very glad to hear from
you.

I am very truly

J. H. South.
