Calcutta

10th April 95

My dear Pippa

The disgusting news having been broken that I shall probably have to put off my leave I will now proceed to explain - H. Wright is going for 3 months by next mail and when he comes back Hight is going for 2 months and I don't expect I shall be able to get away till he comes back.

However there is an advance

tase that may accrue i.e.
the Poojah holidays begin on
Sept 23rd and go on till Oct 4th
so that I think I shall be
able to take leave from Oct 5th
to Jan 5th and really start
by the mail from Bombay of
Sept 27th so that I shall
get a fortnight longer at
home, which will be very good
though all the same I think
I should whistle off in August
if I get the chance.

There are 3 days holidays
next week on account of Good
Friday & I am going to
Barakar on a visit to my
Loris is going home by
next mail I believe.

I was much amused at
your imagining Robertson to
be fat and stout with a
bald head. I hope you
liked him. I also hope
you like the testimonial I
sent you last week only

I have a horrible fear
that it is the twin brother
of one I sent you before.

Many congratulations to
the undergraduate - may
she have a distinguished
academic career and get
a double first class in
arithmetic and Euclid.

Farewell

Yr loving brother

Ralph.
