12, RAWLINSO ROAD,

OXFORD.

My dear Marjorie AL/1853

Thank your dear
mother & yourself for
your kind thoughts &
words. I don't exactly
^{know} why I should have been
picked out for these
honours, except that
I am to be considered
as a sort of Symbolical
or allegorical figure

15, RAWLINSON ROAD,

OXFORD.

to represent the
"Higher Education of
Women". I enter my
89th year this week
& that is "getting on for
90" - your mother &
I have many feelings
in common, I am sure,
- not the least those of

family ties & old
recollections. Give her
my love, & believe me
affectionately
yours
