Dear Madam

I was at the  
meeting in Ladbroke  
Hall tonight -  
I tho I have  
long been in-  
terested in the

187. LADBROKE GROVE W.  
Subject of Women's  
Suffrage. I have  
not hitherto come  
in touch with  
the Society. Wm?

Fawcett told me  
this evening that  
workers were  
very welcome

& that my best-  
place was to  
write to you.  
I am not a  
Speaker but  
I have time  
at my disposal  
& I should be  
very glad to  
help the Cause  
in any way

I shall be

much obliged  
if you will  
give me in-  
formation as  
to how I can  
best assist  
in this important  
work. Yrs Sincerely  
Caroline Fanning  
(Miss)
