

Hypatia. daughter & pupil of Theon E

4<sup>th</sup> Century A.D.

3969

Her learning & wisdom made her the most influential teacher in Alexandria & the fame of her lectures drew round her students from all parts of the East.

She was held in great esteem & much reverence was placed on her judgment & sagacity. Her states used to consult her -

murdered by a colony of illiterate monks who feared & hated learning especially in a woman

She wrote extensively on philosophy astronomy & mechanics. None of her works survive
