Dear Madam,

I must apologize for
not answering yours be-
fore. It arrived just before
I left home, I had not
time to see to it then.

In answer to your question

(a) I am entirely in favour
of the admission of women
to the priesthood -

(6) At present I am giving
all my time & support to
the Suffrage movement, &
cannot help in any active
way -

The only Churchwomen
I can think of likely to be
interested are

The Misses Wratislaw
Lydsley
Combe Down -

but I expect you have
their addresses already.

Possibly also -

The Misses Beard
86 Alexandra Park Garden
Shakespeare Avenue
Bath.

Wishing you all success
Yr. sincerely

J. Tollemache
